OFFICE OF PETITIONS

Assistant Commissioner for Patents
Box DAC
Washington, D.C. 20231

Sir:

This is in response to the correspondence dated May 9, 2001 from the Special Programs Office DAC for Patents (the "May 9 correspondence"), having a statutory period which runs until July 9, 2001. For the reasons stated below, Applicants respectfully withdraw their Petition under 37 C.F.R. §1.47(a) and request entry of the attached Combined Declaration and Power of Attorney.

The May 9 correspondence indicates that Applicants' Petition filed on October 27, 2000 would not be entered because of certain deficiencies. Applicants' Petition under 37 C.F.R. §1.47(a) detailed the numerous efforts made to contact inventor Michael L. Mahar for execution of the declaration of inventorship. The May 9 correspondence, however, states that Applicants have failed to establish that the non-signing inventor was presented with the application papers.

It was further indicated that an affidavit or declaration from Mr. James M. Hunter could be used to remedy this deficiency.

In the meantime, Applicants have continued their efforts to contact inventor Mahar. On November 7, 2000, Applicants, via Mr. Donner, successfully contacted inventor Mahar and obtained execution of the declaration of inventorship, copy enclosed.

On June 15, 2001, Applicants' representative contacted the Office of Petitions and left a message detailing the situation. Applicants' representative also requested guidance on preparing an appropriate response to the May 9 correspondence. On June 18, 2001, Petitions Attorney Derek L. Woods, Esq. left a message with Applicants' representative indicating that the newly executed Combined Declaration and Power of Attorney should be submitted in response to the May 9 correspondence. According to Mr. Woods, such a submission would be fully responsive to the May 9 correspondence, and would be treated as Joinder. Furthermore, the Petition under 37 C.F.R. §1.47(a) would be dismissed.

Pursuant to this advice, Applicants concurrently submit herewith the executed Combined Declaration and Power of Attorney. Applicants further request withdrawal of the petition under 37 C.F.R. §1.47(a).
